ENGLISH LITERATURE PLANNING SHEET (Draft)

English Literature Track:

Note: There is some flexibility between the second and third years for taking courses selected from Eng 303/304, Eng 374. Choose 4 courses from Eng 311/312//317/318/319 either in the second or third year as the schedule may accommodate. It is recommended that the Cross Cultural requirement be fulfilled by taking Eng 309, 310, or 253 and that the Aesthetic Expression requirement be fulfilled by taking either Eng 205 or 206.

The English major requires two semesters of a foreign language. See the **Foreign Language Requirement** of your McKendree Catalog.
