

STORAGE OPTIONS

McKendree University does not provide storage options for students over the summer months and does not permit students to leave their belongings in our residential spaces unless they are living with us for the Summer Break.

Below is a list we have compiled of local storage options in the area for those needing storage for the summer months.

<p>StorageUnits.com</p> <p>Packing up for school breaks can be stressful for students living on campus since McKendree does not have storage units. Bringing their stuff with them when they leave for their breaks can be impractical and costly for many students. Luckily, availing a storage unit is an option that can save students money and can also be hassle-free.</p> <p>For this reason, StorageUnits.com created a guide on everything people need to know about storage facilities specific to college students' needs.</p> <p>You can view the guide here: https://www.storageunits.com/college-storage/.</p>
